

## Britta Karlsson Educational Webinar Series

IFBLS is pleased to announce the latest webinar in our series of Britta Karlsson Educational Webinars:

### ***TB in the 21st Century***

Tuesday, 26 August 2025  
7:00 pm - 8:15 pm (AEST - Brisbane, Australia)

[\(search the Time Zone in my country\)](#)

Recent years have seen significant advances in both diagnosis and treatment of tuberculosis caused by both drug susceptible and drug resistant strains. Molecular and genomic approaches have been “game changes” for the diagnostic lab and new treatment regimens are shorter and in many cases safer.

Pre-registration is required to attend this free webinar.

[Register early! \(Maximum capacity 500 registrants\).](#)

Certificates of Attendance will be emailed to participants (please allow 1-week delivery after the webinar).

### Keynote Speakers:

**Dr. Christopher Coulter, PhD, FRACP, FRCPA**  
Director, Qld Mycobacterium Reference Laboratory  
Pathology Queensland  
Queensland Public Health and Scientific Services  
Queensland Health  
Herston, Queensland, Australia

Photo coming!

**Dr. Sushil Pandey, PhD, MBA**  
Chief Scientist, Qld Mycobacterium Reference Laboratory  
Pathology Queensland  
Associate Professor (adjunct)  
UQ Centre for Clinical Research  
The University of Queensland  
Herston, Queensland, Australia

This 75-minute webinar is a great opportunity to learn from our international colleagues and apply their knowledge to your own practice.

Pre-registration is required to attend this [free webinar](#).

Certificates of Attendance will be emailed to participants (please allow 1-week delivery after the webinar).

Visit the IFBLS website for more details [www.ifbls.org](http://www.ifbls.org)

[Register early! Maximum capacity 500 registrants.](#)

We look forward to your participation in this event!

INTERNATIONAL FEDERATION OF BIOMEDICAL LABORATORY SCIENCE  
THE GLOBAL VOICE OF BIOMEDICAL LABORATORY SCIENTISTS

The International Federation of Biomedical Laboratory Science (est. 1954) is the world's widest reaching international organization for Biomedical Laboratory Scientists, bringing the profession, the professionals and health priorities to the world stage.
